

Registration

We encourage families to stop by Room J-9 in the middle School any day during program hours. Seeing the comfortable EDP space and meeting staff and students will help your child to see that the EDP is a terrific place to spend time after school. You can pick up registration materials there or download the enrollment form from the school's website under the "Parents" link. Simply bring your completed forms to the office along with a check made out to Baltimore Lutheran School. Accounts may be opened with at least \$60. Fees are subtracted from this account for each day your child attends the program. Unlike many after school programs, you will never pay for days your child does not attend! We look forward to serving your family!
